# PROCEEDINGS OF THE WILSON ORNITHOLOGICAL CLUB

# By Lawrence E. Hicks, Secretary

The Twenty-second Annual Meeting of the Wilson Ornithological Club was held at Chicago, Illinois, on November 27, 28, and 29, 1936. The business and program sessions were held at the auditorium of the Chicago Academy of Sciences. Short business sessions were held Friday morning and Saturday afternoon. The Saturday morning session was devoted to the various aspects of the bird banding field, being a joint session with the Inland Bird Banding Association. The four program sessions included twenty-seven papers, slide talks, and movie presentations. The maximum attendance at each session was 52, 74, 71, and 84.

Saturday evening the Wilson Ornithological Club Annual Dinner was held at the Parkway Hotel. Dr. R. M. Strong, one of the three living founders of the Wilson Club, served as Toastmaster. Dr. Strong related some fascinating bits of the early history of the organization and exhibited early copies of the WILSON BULLETIN and of other amateur bird journals of the period. Another highlight of the evening was the showing of three reels of wildlife movies by Mr. F. R. Dickinson which had been taken by Alfred M. Bailey and himself in the American Rockies.

On Friday evening sixty-one members attended the Open House held at the Chicago Academy of Sciences. Everyone greatly enjoyed the opportunity afforded to renew acquaintances and to observe the study and exhibit collections. Some of the local habitat groups with the colored photographic enlargements for back-grounds were particularly fine. Among the special exhibits arranged for the meeting were twenty-six splendid bird paintings by Mr. Earl G. Wright and 120 photographic enlargements depicting most of the present day prominent ornithologists of America.

On Sunday morning a number of members participated in a field trip arranged for by the local committee to the extensive Brookfield Zoo.

### BUSINESS SESSIONS

Short business sessions were held Friday morning and Saturday afternoon, President Van Tyne presiding.

The minutes of the 1935 meeting were approved without being read since they had previously been published in the WILSON BULLETIN (Vol. XLVIII, No. 1, pp. 56-70). The Secretary's and Treasurer's reports for the year 1936 were next read and approved. The Secretary's report indicated that during the past year 27 members had assisted in the membership campaign by making nominations resulting in the securing of one or more members each. A list was presented of the 170 new members secured during 1936, and previously confirmed by the electoral board. These were elected to membership. The report showed that there had been a net gain of 122 members in 1936, resulting in a total membership of 906, which exceeds by 122 members the previous high in membership total of 784 established in 1935. The largest size reached hy the Wilson Ornithological Club in pre-depression days was 765 members in 1930. Thus the 650 new members secured during the five-year term of the retiring Secretary, have cnabled the organization to offset the extremely heavy depression losses and emerge from that period of trying economic conditions with 141 more members than when it began.

The Secretary also presented a bundle of 148 letters received from members in thirty-one states, each of which, though unable to attend the Chicago meeting, had written a letter or note acknowledging the meeting notice, expressing regret at being unable to attend, and sending best wishes for the success of the meeting. Excerpts were read from several of them. The receipt of so many unsolicited letters indicates that the great bulk of the Wilson Ornithological Club membership consists of persons actively interested in furthering the ornithological studies and the educational and conservation work sponsored by the organization.

The Editor next summarized briefly the important phases of his work during the past year. In the absence of the Librarian, his report was read. President Van Tyne appointed Mr. F. Ridlen Harrell as the new Librarian to sueeeed Mr. F. P. Allen, the latter no longer residing in Ann Arbor, having accepted a new position in the East. The well prepared Treasurer's report, which was read and approved, indicated that the organization was in splendid financial condition.

The following temporary committees were appointed by the President: Nominations, Mrs. H. J. Taylor, R. M. Strong; Resolutions and Amendments, Olin S. Pettingill, Jr., A. F. Ganier, S. Charles Kendeigh; Auditing, Leonard W. Wing and Miles D. Pirnie.

The Committee on Resolutions offered the following resolutions, all of which were adopted by motion:

Resolved, that the Wilson Ornithological Club expresses its gratitude to the Chicago Academy of Sciences for providing an excellent place of meeting and for placing such splendid facilities at its disposal; to the Inland Bird Banding Association and the five local coöperating organizations for the good will and courtesies which they have extended, to the officials of the Brookfield Zoo for their kind invitation to visit the Zoo's interesting exhibits, and to the members of the local committee, William I. Lyon, Howard K. Gloyd, Earl G. Wright, Edward R. Ford, Margaret M. Nice, and Grace Z. Harsh, for their excellent arrangements which contributed so much to the success of the meeting.

*Resolved*, that the Wilson Ornithological Club commends the untiring, eareful work of its Editor, Secretary, Treasurer, President, and its other officers, who by their faithfulness to heavy duty, have enabled the organization to add another successful year to its long existence.

The Committee on Nominations offered the following report:

President—Josselyn Van Tyne, Museum of Zoology, Ann Arbor, Miehigan. First Vice-President—Margaret M. Niee, Chicago, Illinois.

Second Vice-President—Lawrence E. Hieks, Ohio State University, Columbus, Ohio.

Secretary-Olin S. Pettingill, Jr., Carleton College, Northfield, Minnesota.

Treasurer-S. E. Perkins, III, 709 Inland Building, Indianapolis, Indiana.

Councillors-Albert F. Ganier, Nashville, Tennessee.

Alfred M. Bailey, Denver, Colorado.

S. Charles Kendeigh, Champaign, Illinois.

The report was adopted by motion, and the Secretary was instructed to cast a unanimous ballot for the nominees. This being done all were deelared elected for the coming year.

### The Wilson Bulletin-March, 1937

The 1937 meeting was set for late December in connection with the meetings of the American Association for the Advancement of Science, at Indianapolis, Indiana. It was also voted that in the future, income from the endowment fund of the Wilson Ornithological Club would be used each year to pay for some special features of the WILSON BULLETIN, such as additional illustrations or an occasional color plate.

Another important item of business included a elarification of the duties of a number of the officers of the organization, in order to more effectively utilize the man power at its disposal in furthering the work of the Club. By agreement it was decided that the President would be responsible for preparing or delegating the preparation of obituary notices for the BULLETIN of all deceased members, the other officers and members to cooperate by reporting all deaths to the President or Secretary as promptly as possible. The First Vice-President assumes the task of canvassing the members for life memberships or for raises in membership status. The Second Vice-President agrees to aid the work-burdened Secretary by assisting in the membership campaign, assuming a quota of at least twenty-five new members secured each year. The Treasurer, as in the past, will make every attempt to maintain the size of the membership list, by special correspondence to regain where possible delinquent members. It is hoped that special appointees can work to enlarge the subscription list of the BULLETIN in institutions, high schools, and libraries, and that the three councillors will contribute to the membership drive by assuming a quota of five or ten new members per year each.

### REPORT OF THE SECRETARY FOR 1936\*

To the Officers and the Members of the Wilson Ornithological Club:

During the past year, the intensive eampaign for new members was continued by the Secretary, in an attempt to increase the size of the organization to at least 900 members and thus make available sufficient income to expand the organization's activities and finance a larger WILSON BULLETIN. It is a pleasure to report that this goal has now been reached. The membership now totals 906. This is 122 more than the 784 of last year, and 141 more than the pre-depression high of 765 in 1930. Thus the Wilson Ornithological Club is decidedly larger than ever before.

This eampaign has required the expenditure of no little time and effort, as 2,732 membership prospects were solicited and 1,073 additional letters written by the Secretary in 1936. Members of the Club gave splendid assistance by sending in numerous names of prospective members for solicitation. Our membership is especially urged during the coming year to acquaint friends with the benefits of the organization and forward to the officers the names of all membership prospects. We will do the rest.

New members secured during the five-year term of the retiring Secretary were as follows: 1932, 113; 1933, 114; 1934, 112; 1935, 141; and 1936, 170. Total for the five years, 650. The 170 new members for 1936 were: Sustaining, 1; Active, 37; and Associate, 132. The new members were distributed through 42 states and provinces: Illinois, 25; Ohio, 18; California, 14; Wisconsin, 14: Michigan, 11; Iowa, 8; Missouri, 6; Indiana, 5; Kentucky, Nebraska, and Texas, 4 each; Maine, Georgia, Minnesota, New York, Pennsylvania, New Hampshire, Arkansas, and Connecticut, 3 each; Alabama, Oklahoma, New Jersey, Colorado, Florida, North Dakota, Maryland, New Mexico, Utah, and British Columbia, 2 each; Arizona, South Carolina, Tennessee, Alberta, Oregon, Delaware, Quebee, Virgin Islands, Virginia, South Dakota, Washington, D. C., Kansas, and Massaehusetts, 1 each.

Disregarding some duplications in nominations, the various members responsible for the applications of new members, were as follows: Lawrence E. Hicks, 149; T. C. Stephens, 10; S. E. Perkins, III, 8; Mabel Slack, Warren W. Chase, and Frank Blanchard, 3 each; Josselyn Van Tyne, A. F. Satterthwait, John J. Stophlet, P. F. English, and G. A. Ammann, 2 each: and the following 16 persons, 1 each: Lynds Jones, R. E. Yeatter, Olin S. Pettingill, Jr., Ward Klepfer, William R. Lodge, A. P. Larrabee, D. Elmer Johnson, Elmer Knapp, Dora Moore, H. H. Forsthoefel, Elizabeth Ochlenschlaeger, Mrs. Annabel K. Hinman, William C. Baker, J. J. Murray, W. H. Burt, and David Damon.

The total number of members lost during the year 1935 from all eauses was 49, 1 being Honorary, 3 Sustaining, 14 Active, and 31 Associate. A considerable number of former members have reinstated during the year. Thus there has been a net gain of 122 members during 1936.

This leaves the present membership of the Club at 906, distributed as follows: Honorary, 5; Life, 11 (2 also are Honorary): Sustaining, 40; Active, 212; Associate, 640.

<sup>\*</sup>Revised to the end of 1936.

The Secretary wishes to take this opportunity to thank the many members who have assisted in the membership campaign, helped with the staging of the annual meeting, or otherwise advanced the work of the Wilson Ornithological Club during the past year. It has been particularly gratifying to have received in all several hundred letters from members during the year giving news of their own work, ideas and suggestions on ornithological and conservation topics, or words of encouragement and constructive criticisms of the work being done. It is greatly regretted that the pressure of other duties has made it impossible to answer many of these directly or to reply save by abbreviated note.

The Secretary values highly the various experiences, the multitude of contacts and the innumerable friendships gained during his five-year term of office now completed. He wishes to thank all concerned for the countless courtesies extended and the W. O. C. for the opportunity to have served a most deserving organization.

Respectfully submitted,

LAWRENCE E. HICKS, Secretary.

# REPORT OF THE LIBRARIAN FOR 1936

I have the honor to present herewith the sixth annual report of the Librarian of the Wilson Ornithological Club.

I accept the position of Librarian of the Wilson Ornithological Club with pleasure. 1 am sure that I shall enjoy this relationship.

I find the library in a well organized and workable condition. The material has been classified and arranged on the shelves to give the greatest amount of service. I shall endeavor to keep the library as I find it and add to it whatever my experience tells me will be beneficial.

In a general survey of the library I find that all the sets are not complete. Dating from 1932 or 1933 I find many volumes missing from the sets. An early shipment of the exchanges from the Editor would give me an opportunity to find out what is needed to complete sets and know which sets are aetually complete. This valuable exchange should not be permitted to lag as it affects the service and efficiency of the library.

We have received gifts from those interested in the bird collection and from members of the Wilson Ornithological Club. This past year we received 101 pieces of unbound material. This brings the unbound material to a total of 1578 pieces. The total for bound volumes remains 190. Some sets that have had noticeable omissions in them have been filled and new subscriptions have been received. I wish to thank the donors for this fine spirit of ecoperation.

Respectfully submitted,

F. RIDLEN HARRELL, Librarian.

### Report of the Auditing Committee

The undersigned have examined the report of the Treasurer of the Wilson Ornithological Club for the fiscal year ending November 24, 1936, and vouchers accompanying the same, and have found them correct.

Respectfully submitted,

Miles D. Pirnie. Leonard W. Wing.

### ATTENDANCE

The 1936 meeting was one of the most successful in the history of the organization. Although the out-of-town attendance was only fair, fifteen states were represented. The local attendance was the second largest and the total attendance the fourth largest of the twenty-two annual Wilson Ornithological Club meetings held to date. Many local visitors failed to register. Additional unregistered visitors attended the Open House, the annual dinner, or the field trip.

Thirty-two universities, colleges, museums, and other institutions were represented in the attendance at the Chicago meeting. These included: National Association of Audubon Societies, University of Nebraska, Morningside College, Ohio State University, University of Chicago, Chicago Medical School, Northwestern University, Ohio Wildlife Research Station, Michigan Museum of Zoology, Michigan State College, University of Michigan, Yankton College, University of Wisconsin, Illinois Natural History Survey, University of Illinois, Loyola University of Medicine, Chicago Academy of Sciences, Field Museum, Principia College, U. S. Soil Conservation Service, U. S. Biological Survey, Iowa Wildlife Research Station, Kennicott Club, Illinois Audubon Society, Chicago Ornithological Society, Inland Bird Banding Association, Carleton College, Iowa State College, Kellogg Bird Sanctuary, University of Louisville, Emergency Conservation Committee, Isaac Walton League of America, and Denison University.
